

“The Youth of a Nation are the trustees of posterity.”

INTRODUCTION

Recognizing that corruption is a most significant roadblock in the improved governance, development and progress of our country, the Anti-Corruption Academy-(ACA) of India aims to become the beacon that will guide the country and its citizens towards a culture and practice of integrity and accountability. The need for such a constructive initiative & movement is the need of the hour. As corruption has become a “Fashion” in today’s India therefore it is urgent and must that the like-minded and sincere citizens, youth and institutions should combined their efforts, resources and capacity to built a society where the corrupt forces must think twice before indulging into an act of corruption. It is a gigantic task but together we can march towards the development of a better India. The ACA will produce, manage and disseminate anti-corruption knowledge, good practices and all tools necessary for the construction and effective implementation of measures and policies in a systematic and inclusive way. The ACA will engage with all stakeholders: civil society, public servants, private sector, political parties, academia, media and above all the ‘Youth of Our Nation’ to tackle corruption at all levels and in all government and private sectors.

ACA’S MISSION

- ❑ Understand the nature and forms of corrupt practices in India, as well as their effects from petty and low-level misconduct to grave offences at the top.
- ❑ Explain the contributing causes of these problems by placing them in the proper, socio-economic, historical, political, cultural and geographic context.
- ❑ Facilitate consensual knowledge and anti corruption action by involving all social strata and stakeholders through high quality research, factfinding, conferences and publication.
- ❑ It aims at clarifying the issues converting findings into policy recommendations.

OBJECTIVE

‘Youth’ should be a priority not just for the society, but also for the nation. They are an integral part of the development of any country. Our Objective is to work with the Youth of India to create an environment where the youth can think, discuss and take constructive steps towards the overall upliftment of their character, and attitude and contribute significantly to the development of the nation. There should be a continuous process of learning & enhancement through parenting, education, character building and to inculcate the right values, ethics, integrity & sincerity. We believe in, that if we want to build a nation then we need to work and built the strong foundation of its youth. ACA will have the best possible role models, teachers, experts, academicians, achievers etc who will work with youth from schools, colleges & universities and nurture them to become a beacon for the future generation of our nation. We will also work with teachers & parents and prepare them to take up the role of a model teacher, parent & guide.

DEVELOPING TODAY’S YOUTH TO LEAD TOMORROW’S INDIA

The ACA Youth Club (AYC) will work on the development of character by inculcating honesty, integrity, ethics, empathy, responsibility, good manners etc. At the same time, AYC will strive to develop the personality of the youth through various training, workshops, events etc on communication, inter-personal skills, community services, leadership programs etc. AYC aims to develop the youth of India through a parallel action plan. We will work parallelly on the character building as well on the personality development of the youth of India so that they could take up the present day and future challenges and can also be a contributor to the development of the nation.
